Collaborative Overview

Updates on US side

- 1-year NSF supplement proposal awarded, expires in Sept 2019, Smallen (PI), Williams (Co-PI)
- Follow on proposal for support past 2019
 - Proposal effort led by Dr. Renato Figueiredo, University of Florida
 - Shava and Renato traveled to NSF in August 2018 and had informal conversation with program officer – thanks to Peter and Bill for excellent coaching!
 - Renato, Shava, Nadya, Paul, Cayelan and Jim planning visit to NSF on Nov 8th to give formal presentation and meet with several program officers
 - *Discussed role of AI into proposal and into PRAGMA organization*
