

# Summary of PRAGMA Steering Committee Meeting

2014 April 11

## A View on Taiwan

Taiwan “is a home where time accelerates and people cram three days of living into every twenty-four hours”

# Comments on PRAGMA

- Seeks to promote
    - Initiative
    - Openness
    - Sharing (ideas, software)
  - Experimentation
    - At this meeting: Encourage broader discussions among participants
    - Expeditions: Integration across technologies
  - Engagement of participants
    - Projects conceived by small group stay small; projects conceived broadly may stay broad
  - PRAGMA's composition
    - Impact / outcome driven organizations
    - Research driven organizations
- Don't jump to conclusions

## Two Other Ideas

- Sensors at every site
  - Create an all PRAGMA project
- Biosciences
  - Invite leadership

# Shonan Meeting

- Water Disaster Management and Big Data
- July 7 – 10
- Opportunity to think deeply about issue
- Possible outcome:
  - Address important issue
  - Lead to PRAGMA activity
- Looking for interested participants
  - Talk with Fang-Pang Lin
  - NEEDS YOUR INPUT BEFORE TUESDAY, April 15

## Broadening Leadership

- Looked to identify individuals who might be interested in co-leading working groups or new expeditions
- Steering Committee Composition and Evolution
  - Discussed options to position Steering Committee with new input
  - Ideas to be discussed over summer
    - Ex-officio
    - Adding Students
    - Adopt GLEON model for identifying new members
